**Welcome to the 22nd Herefordshire Art Week**

h.Art is a not to be missed early Autumn treat involving 471 artists in 134 venues. 9 days of joyful inspiration, unique finds, and the chance to buy direct from the creator. Meet them in their creative habitats, pop up shows in lots of unexpected places and galleries. Many artists only open their work spaces once a year, giving you a rare insight into their creative lives and their individual practice. You can chat, just browse, buy or commission direct.

**Venues open every day 11 - 5pm** - pages 3 to 33. Some of these venues also open earlier or later, see details on their listing.

**Venues with varied open or closed times or days** - page 34

**Special Events** - pages 35 to 37. If you want to get creative yourself, see artists in action or listen to an expert.

**Don't forget the website [www.h-art.org.uk](http://www.h-art.org.uk)** - it is live all year and gives you the opportunity to keep up to date with all the artists, click on ALL VENUES. Every artist has an Artist Profile page, which includes their contact details, information about them and their practice and 8 images they regularly renew. Some open for h.Art Christmas events, see details from early November on the home page.

**Your fold out map of the county** showing all locations of all h.Art venues is attached in the back. City and town maps start on page 45.

The Old School is a huge and quirky space filled with paintings, sculpture, jewellery, ceramics, cards, prints alongside some of our more permanent curios and collectables.

This year we will be showcasing the works of three new resident studio artists:

Wooden Bird exhibiting their green wood chairs, coppice products and locally made artists' charcoal.

Lucy Hariades showing their hand tailored books comprised of original artworks and illustrative prints.

Isobel Craggs Alferoff presenting their dynamic figurative paintings.

Long term studio artist Ciara Lewis will be showing new sculptural pieces using mixed media with fused glass as well as abstract and expressionistic landscape paintings.

Back by popular demand we also have Malcolm Turner's functional earthenware and exciting raku ceramics.

Lesley Wootton's eclectically decorated artefacts and hand blocked experimental prints and Lucy Thompson's beautifully evocative jewellery in gold, silver and inset gemstones.

As usual we will have amazing handmade cakes and refreshments in our pop-up cafe. All welcome.

All Saints' is an internationally known Grade 1 listed thatched church. It was built in 1901 to the highest standards by a unique Arts and Crafts team, headed by architect William Lethaby. It is the perfect venue for artists to exhibit in during Herefordshire Art Week.

The 2023 show was fantastic for the church and artists. We are making even better use of our beautiful churchyard this year and there will be some new and very unusual exhibits.

We have an exciting and eclectic selection of 25 artists and creators, who have been chosen carefully to represent a range of disciplines, from sculptures for the garden to beautiful works of art to embellish any home.

Our 25 exhibitors:  
Alison Simons, Christine Baxter, Claire Billingsley, Dawn Cripps, Di Weissberg, Jeanette Hannaby, Jennifer Chance, Jenny Padley, Jonathan Clift, Ken Gilbert, Liz Huppert, Paul Burton, Paul Hannaby, Rachel Padley, Rosie Callinan, Sam Hemming, Sarah Billingham, Simon Cameron, Simon Hulbert, Stuart Stockwell, Suzanne Hope, Tanith Rouse, Tina Williams, Valerie Mclean, William Smith.

Seventeen artists in the splendid surroundings of Ross Parish Church, four of them new to our venue this year.

Sally Boehme | Caroline Davies | Lisa Dear | Sarah Delahoy | Mary Deaville | Sian Gibbs | Amanda Grey | Wendy Healey | Nina Oakman | Monique Oliver | Fiona Reynolds | Vanessa Rhead | Lindsay Reid | Carolyn Russ | John Sherahilo | Karen Tacey | Sharon Yorke.

You'll find paintings in oil, mixed media, watercolour, alcohol; original prints, jewellery, ceramics, glass, carvings, sculpture, gifts, cards ...

The great things about St Mary's, people tell us, are the light and spacious interior, with generous space around the art, and the friendly welcome visitors receive. Also, of course, the delicious refreshments (coffee, tea, homemade cakes, soup and rolls at lunch time) and the chance for a sit down while you soak it all up ... while perhaps you decide that you really do want to buy that piece after all!

Make sure you pick up a copy of the Ross-on-Wye exhibitors leaflets from one of the venues, it will give more detail of what's on offer and where to find it in the town.
